FIND NEW ROADS

CHEVROLET

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE.

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that each one leads us to some place we're not – but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

DISCOVER TRUE ROOTS. Trax is the exciting, five seater — small SUV — durably styled to explore the urban environment, and with great connectivity, passenger comfort and cargo capacity. It brings to life Chevrolet's knowledge and expertise as the world's original SUV maker, and shows our more than 75 years' experience developing these cars. Trax is the authentic SUV re-imagined for the urban adventure. Building on the past to create the future.

DISCOVER AUTHENTIC STYLE Trax demands to be noticed with its powerful, sporty exterior and broad, purposeful stance. Sculpted bodywork, raked windscreen, aerodynamic swept-back headlamps, and silver-painted 18” alloy wheels* combine smoothly to create a confident and authentic look. Trax is built and designed especially for urban conditions – from fast urban highways to narrow back streets. Its interior blends sporty sophistication with utility and versatility for a driving environment both welcoming and refined.

* Optional from LT trim

DISCOVER ENTERTAINMENT EVERYWHERE.

Choose LT trim and Trax comes with Chevrolet MyLink infotainment. Use the system's 7-inch colour touch-screen and steering-wheel mounted controls to:

- Select tracks you want to hear from a connected device through your car's speakers
- View pictures and watch videos stored on a connected device when you're parked
- Monitor live video relayed from an inclusive rear mounted camera, for quicker, safer parking. Also use Chevrolet MyLink to run selected smartphone apps including:
- BringGo navigation*
- TuneIn internet radio*
- Stitcher™ Smart Radio* Another Chevrolet MyLink feature is Siri Eyes Free** to simply speak short commands to take and make calls hands-free; to compose, send and listen to text messages; and much more.

* IMPORTANT NOTE: Purchasing cost for Apps and/or internet traffic data/roaming cost may occur.
For further information visit Apps web page and/or the web page of the relevant mobile operator.

**Siri is not available in local language

DISCOVER PERFORMANCE FOR THE CITY. Select the high-spec powertrain to drive your adventure forward. Available are 1.4-litre turbo and 1.6-litre petrol engines, and 1.7-litre turbo diesel engines. Each perfectly balances performance with fuel efficiency enhanced by Start/Stop technology on the manual transmission. With the option of two or four-wheel drive on-demand*, and six-speed manual or automatic transmission**, Trax takes your drive to a new level.

* Except for 1.6 engine

** Automatic transmission available with FWD 1.4Turbo and FWD 1.7 Diesel engines

DISCOVER MORE SPACE Just 4.25 metres long, the small Trax is made for city life. Yet its interior is airy and welcoming, with high-mounted, supportive seats for you and up to four passengers. Cargo-wise, you have up to 1.370 l storage space and a rear seat with 60/40 split. You can also fold flat the front passenger seat creating the ideal room for your payload. All in all the Chevrolet Trax offers you up to 8 different seating configurations.

DISCOVER MORE FEATURES. With the suspension's calibration especially tuned to meet European driving needs, the Chevrolet Trax is fun to drive. StabiliTrak® (Electronic Stability Control) actively helps you avoid accidents by scanning your steering, and engaging Traction Controls to set you on your intended course. If you need to brake sharply, each anti-lock disc engages with optimum force, boosting stability and keeping the car responsive. Hill Start Assist prevents Trax from rolling when you pull away on slopes. LT trim also features Hill Descent Control, so you can ease down steep, off-road gradients without braking. And when you are parking in tight city spaces the rearview camera can (also on LT trim) help you to identify any obstacle behind you.

DISCOVER A TRUE CITY DWELLER. Trax gives you the freedom to make the most of city life. Whether it's unexpected adventures or planned trips with detours along the way, Trax has the space and flexibility to carry you, your fellow explorers, and all you'll need. Compact and durable, Trax is the original SUV reborn for the urban frontier – built on more than 75 years' experience and know-how few can match.

DISCOVER THE CITY SAFELY. Not only stylish and fun to drive, Trax also has safety at its heart. Fitted with three-point seatbelts in all five seating position, six airbags, and collapsible driver pedals to protect your lower legs, all this features are framed in a structure engineered to withstand more than four times the car's weight.

CHEVROLET OWNER PRIVILEGES

Every Chevrolet comes with a comprehensi warranty and commitment from us to you:
- 3 years or 100,000 kilometers comprehensive warranty FREE
- 6 year anti-perforation corrosion warranty with no mileage restrictions FREE

The information contained in this brochure was accurate at the time of going to press. Chevrolet Central and Eastern Europe is constantly seeking ways to improve the specification, design and production of its vehicles and accessories, and alterations take place continually. Whilst every effort is made to produce up-to- date literature, this market brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle and accessories. Illustrated optional equipment is available at extra charge. Availability, technical features and equipment provided on our vehicles can vary from one market to another and may change without prior notice. Owing to the print limitations of reproducing paint colours on paper, the colours shown here can only be taken as a general guide to the range of colours available. Information on recycling design, recycling End of Life Vehicles (ELV) and the return locations of ELVs can be found on the website www.chevroleteurope.com
